

Expo 2020 Draft Agenda

Dr John Sandham, Chairman of EBME Expo 2020, 29th & 30th April.

In the interest of advancing medical knowledge and patient care, I am honoured to be chairing the EBME Expo in 2020 and look forward to seeing you on 29th & 30th April 2020. The organising committee have again chosen The Milton Keynes Arena, which was very popular in 2019 with both delegates and exhibitors alike, having sufficient space to guarantee a valuable experience.

The EBME Expo 2020 will feature a conference and exhibition with well-known, distinguished speakers in the conference hall, and internationally respected companies in the exhibition hall. There will be a range of both large and smaller exhibition spaces available, to enable all types of companies to come and demonstrate their innovative new products.

It is always a pleasure to meet the delegates and exhibitors every year. Our 11th conference will focus on innovations in medical equipment technology and maintenance on day one, and medical equipment management, procurement, and training on day two. The programme will feature eight speaker sessions each day, concentrating on understanding how technology can deliver improved patient outcomes at lower costs. In addition, there will be three workshops in the break out areas and we expect many of our exhibitors to provide technical demonstrations. The two day programme will allow delegates to understand the latest improvements in healthcare technology and management across a range of professional areas and offer numerous opportunities for informal networking.

DAY 1: Innovations in medical equipment technology

Time	Speaker
09.00 - 09.45 Registration; Refreshments & Exhibition	
09.45hrs: Session 1 – Clinical Surveillance	
09.45 – 09.50 Welcome: Chairman	Dr John Sandham
09.50 – 10.00 Amalthea Trust Update	Mike Hilditch
10.00 - 10.30 The role of the MHRA and reporting requirements	Jillan Hussein
10.30 - 11.00 Innovations in Clinical Surveillance Technology	Debbie Pope
11.00 - 11.30 Refreshments & Exhibition	
11.30hrs: Session 2 – General Ward Technologies	
11.30 - 12.00 Point of Care Testing, 2020 and Beyond	Angela Lynam and Raheela Bibi
12.00 - 12.30 '3 in 1' Blood Pressure Management Solution	Steve MacAlease
12.30 - 13.00 Open Debate (Q&A) with Delegates: Future Trends and reducing waste.	Dave Mulvey
13.00 - 14.15: Lunch & Exhibition	
14.15hrs: Session 3 – Monitoring Technologies	
14.15 - 14.45 Advances in Remote Monitoring Systems	Mikko Savola and Jamie Munro
14.45 - 15.15 A Vision for Critical Care: The ITU of the Future	Paul Hinchley
15.15 - 15.45 Refreshments & Exhibition	
15.30hrs: Session 4 - Anaesthesia	
15.45 - 16.15 Innovative technology: Reducing the Environmental and Financial Costs of Anaesthesia	Dr Scott Brown & Dr Sebastian Brown
16.15 - 16.20 Prize Draw for Attending Delegates	Dr John Sandham
16.20 - 16.25 Close of Day 1	Dr John Sandham

Day 2: Medical equipment management, procurement, and education

Time	Speaker
09.00 - 09.45 Registration; Refreshments & Exhibition	
09.45hrs: Session 1 – Medical Equipment Management	
09.45 – 09.50 Welcome: Chairman	Dr John Sandham
09.50 – 10.00 Highlights of Day 1	Dr John Sandham
10.00 - 10.30 Developing a Large NHS Clinical Engineering Department	Joe Emmerson
10.30 - 11.00 How Can Private Sector Companies Help?	Kevin Pritchard
11.00 - 11.30 Refreshments & Exhibition	
11.30hrs: Session 2 – Reform, MD Regulations, and Future Planning	
11.30 - 12.00 Reforming clinical engineering	Helen Meese
12.00 - 12.30 The Impact of the New Medical Device Regulations on NHS Services	Justin McCarthy
12.30 - 13.00 Full Life-cycle Med Tech Asset Management Delivering Major Savings and Efficiencies	Dr Farhang Daemi
13.00 - 14.15: Lunch & Exhibition	
14.15hrs: Session 3 – Education and Innovation	
14.15 - 14.45 EBME and the Role of a Medical Devices Safety Officer	Sarah Jennings
14.45 -15.15 Safe and Secure Software Development for Medical Devices	Richard Bellairs
15.15 - 15.45 Refreshments & Exhibition	
15.30hrs: Session 4 – Improving Practice and Prescience	
15.45 - 16.15 Design tips for creating a 'lean' maintenance workshop	Dr John Sandham
16.15 - 16.20 Prize draw for Attending Delegates	Dr John Sandham
16.20 - 16.25 Closing Comments	Dr John Sandham
